

Canadian Journal of Clinical Pharmacology

FETAL ALCOHOL RESEARCH

Transfer of Copyright for Works Accepted for Publication

Manuscript Number:

Manuscript Title:(the"Work")

Corresponding Author:

Mailing Address/Telephone/Fax Numbers:

Each author must read and sign the following statements. If necessary, please photocopy this document and distribute to co-authors for their original signatures. Completed forms can be faxed in multiple copies to: **416-813-7337 Attn: Fetal Alcohol Research**

Except for copyright, other proprietary rights related to the Work shall be retained by the authors. To reproduce any text, figures, tables, or illustrations from this Work in future works of their own, the authors must obtain written permission from Canadian Journal of Clinical Pharmacology (CJCP). Such permission cannot be unreasonably withheld by Canadian Journal of Clinical Pharmacology.

Each author warrants that his or her submission to the Work is original and that he or she has full power to enter into this agreement. Neither this Work nor a similar work has been published nor shall be submitted for publication elsewhere, except when special arrangements have been made with CJCP prior to publication (e.g., republication in CJCP of guidelines and reports).

Each author certifies that he or she has participated sufficiently in the intellectual content, the analysis of data, if applicable,

and the writing of the Work to take public responsibility for it. Each has reviewed the final version of the Work, believes it represents valid work, and approves it for publication. Moreover, should the editors of the Publication request the data upon which the work is based, they shall produce it.

Each author warrants that this Work contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts (text, figures, tables, or illustrations) from copyrighted works are included, a written release will be secured by the authors prior to submission, and credit to the original publication will be properly acknowledged.

Each author warrants that he or she has obtained written releases from patients whose names or photographs are submitted as part of the Work. Should CJCP request copies of such written releases, authors shall provide them to CJCP in a timely manner.

TRANSFER OF COPYRIGHT

In consideration of CJCP's publication of the Work, the authors hereby transfer, assign, and otherwise convey all copyright ownership worldwide, in all languages, and in all forms of media, including electronic to CJCP. If CJCP should decide for any reason not to publish an author's submission to the Work, CJCP shall give prompt notice of its decision to the corresponding author, this agreement shall terminate, and neither the author(s) CJCP shall be under any further liability or obligation. The authors grant CJCP the rights to use their names and biographical data (including professional affiliation) in the Work and in its or the Publication's promotion.

FINANCIAL DISCLOSURE: Each author certifies that he or she has no commercial associations that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the Work and all institutional or corporate affiliations of the authors are acknowledged in a footnote in the Work.

ETHICS REVIEW/ANIMAL CARE APPROVAL: Each author certifies that the protocol has been approved by the appropriate Ethics Review Board and/or Committee for any investigation involving humans or animals, and that all experimentation was conducted in conformity with ethical and humane principles of research.
